

CONTRACTOR PROPOSAL SUPPORT

Professional bid documents without adding another full-time office employee

Gulf Coast Bid Support turns contractor estimates, job notes, scope sheets and bid-package information into clean, organized proposals ready for contractor review and customer submission. We focus on industrial, mechanical, fabrication and construction work.

What We Do

- Organize rough estimates and job notes into a professional proposal structure.
- Build clear scope, inclusions, exclusions, assumptions and qualifications from information you provide.
- Present base bid, alternates, allowances, schedule and commercial notes clearly.
- Perform a practical consistency review for missing or conflicting proposal information.
- Return a polished PDF-ready proposal for your approval.

Simple Pricing

SERVICE	PRICE	BEST FOR
First Proposal	\$75	New clients - one real bid
Standard Proposal	\$149	Typical defined-scope bid
Complex Proposal	\$250-\$400	Larger packages / multiple alternates / heavy qualifications
Monthly Support	\$399/month	Up to 6 standard proposals; scope confirmed before start

How It Works

1. Send your estimate, scope, pricing, exclusions, schedule and supporting documents.
2. We organize the information and flag obvious gaps or conflicts for clarification.
3. You review the finished proposal and approve every technical and commercial detail.
4. You send the approved proposal to your customer under your company name.
